Gentlemen:

I have your order for one copy of Whitehead's
Pre-Mahomedan Coinage of Northwestern India,
which we are sending you under sperate cover.

We are considering the disposal of the remain-
ing copies of the Dictionary of Numismatic Names
by Albert R. Frey, for which we have received or-
ders from you from time to time. This is a con-
tribution of numismatics having a permanent value;
and, except for one in Italian, it is, so far as
I know, the only dictionary of its kind in any lan-
guage. We have remaining 42 unnumbered copies,
and 54 numbered copies reserved for the author's
use (which he has recently turned over to us).

Would you care to make an offer for the whole
or part of these?

Awaiting your response, I am,

Very truly yours,

Enc.
